

▶ TASK Check transmission fluid condition; check for leaks.

CDX Tasksheet Number: C904

Vehicle used for this activity:

Year _____ Make _____ Model _____

Odometer _____ VIN _____

Time off _____

Time on _____

Total time _____

1. Place a few drops of transmission fluid from the transmission on a clean white paper towel. The transmission fluid should have a clean appearance on the towel. If the center portion of the fluid is dirty, the fluid is dirty. **List your observation(s):**

2. Smell the transmission fluid. Compare the smell of the fluid to a fresh sample of the correct fluid. **List your observation(s):**

3. Safely raise and support the vehicle on a hoist. Inspect the transmission for any fluid leaks. **List the source of any leaks:**

4. Have your supervisor/instructor verify satisfactory completion of this procedure, any observations found, and any necessary action(s) recommended.
