## How to Download and Import the Test Bank in Blackboard Ultra

This document provides directions on how to download the test bank files and import or upload the test bank files back into your Blackboard Ultra Learning Management System (LMS). **Note,** screenshots are provided for demonstrative purposes and may not match your system exactly. Navigation elements may vary depending on your platform configurations.

- 1. There are two different ways you may acquire the test bank:
  - a. First, open the LTI Advantage Integration Setup email you received to find the Course Information & Test Banks table. If your course includes a supplemental test bank, a download link is displayed under the Test Bank column. Click the link to download the course's test bank files to your local device.

Course Information & Test Banks							
Course Name	Test Bank (If Available)						
NAVIGATE ASSESSMENT AUTHORING	https://lti.jblearning.com/packages/download.zip?cartridge_uid=445fcc09-a3fe-4b53-91	<u>79</u>					

- b. If the link to download the Test Bank is listed as Not Available, please contact your <u>Sales Representative</u> to retrieve the Test Bank from your instructor resources.
- 2. Navigate to your Downloads folder and open the downloaded **zipped file** to locate the file labeled/identified as **BB**.

4. Open the Blackboard course in which you would like to import the test bank. At the main course menu, click on **Content**.

C	Content	Calendar	Announcements	Discussions	Gradebook	Analytics	Groups	

5. Click the ellipsis to the right of the Course Content window and then Import Content.

6. Click Import Course Content.

7. Navigate to the desired zipped **BB file** and click **Open**.
